

Pony Camp

All Day Pony Camp

Calling all horse-crazy kids! Our combination of pony camp and day camp is back by popular demand! You'll spend half your time each day with our fantastic pony instructors as you learn horsemanship, practice your riding skills, and bond with the Farrel-McWhirter ponies. The other half of your day will be spent with our enthusiastic arts & crafts specialists for hours of horse crafts, horse stories, horse games, horse facts, and more fun horsing around while you are horse-less. Your time with horses requires long pants, boots or other closed-toed shoes, and a helmet (or borrow one from us). Your non-riding time will be more fun with casual shoes and comfortable clothes for the weather. Time to change clothes will be part of our day. Bring a snack, lunch, beverage, and raingear (no umbrellas please). This camp is designed for the beginning level Western rider.

Instr: Staff. Loc: Farrel-McWhirter Park Barn. Fee: \$170R/\$200N.

Notice to Parents:

Boredom Buster Camps at the ORSCC and Anderson Park will have combined before and after care in Room 108 at the ORSCC: 16600 NE 80th St. Pick-up and drop-off for the Anderson Park Camp will be at the ORSCC Room 108, before 9:30am and after 3:30pm daily. These camps will also be combined for swimming at Idylwood Beach, field trips and may include other activities at the discretion of the Day Camp staff. These camps are dependent upon enrollment, and may be combined if enrollment is low.

Week 1 - Outdoor Discoveries

Come for an adventurous exploration of the great outdoors! We'll learn some outdoor safety tips and create art projects from nature, and learn some new games that are sure to please. For additional discoveries we'll take a field trip to the Watershed, Marymoor Park, and other local parks.

Week 2 - Exploring Art

Some simple exploration of different art styles, in a fast paced, frenzied day camp setting. We'll be exploring art with games, crafts, and all sorts of fun activities. Field Trip to the EMP.

Week 3 - More than Music

Make all sorts of instruments this week as we explore all types of music from lands near and far. Come sing, dance and play and we'll visit the Old Firehouse Teen Center for a field trip.

Week 4 - All Sorts of Animals

Come see what's going on at the zoo! Learn interesting animal facts, find out why animals do the things they do, and visit some of your favorite creatures up close. We'll explore the animal kingdom from top to bottom and take a field trip to the Woodland Park Zoo.

Week 5 - Sports and More!

We'll put a new twist on some old time favorite games, make some fun sporty crafts, and play all sorts of new games that you won't see on TV. This week the field trip will be on Monday and we'll go to Key Arena for the WNBA Kids Day.

Week 6 - Gross out Week!

Get the facts on things that slime, stick, stink or sting! Learn some gross facts about the animal world, the human body and more...! We'll be exploring the world of science from biology to chemistry as we make slimy, sticky, smelly concoctions, and we'll take a field trip to the Pacific Science Center.

Week 7 - Get a Move On

We'll be having fun with things that move, whether with wheels, air, or being lifted and carried, we'll have a fantastic week, making some nifty crafts and playing some crazy games, we'll take a trip to the local roller skating rink to get a move on.

Week 8 - Let's Be Detectives

Break a secret code, go on a scavenger hunt, solve a "mystery", and find out what being a detective is all about. We'll make some clever crafts, play some sneaky games and enjoy snooping all week long, then we'll visit the City of Redmond police station to meet some real detectives.

Week 9 - Water World

Drip, drop, splash, splash! Join us for a wet and wacky week of water exploration, games, crafts and other watery activities and a field trip to the City of Renton's water park.

Week 10 - Food Facts!

We'll be cooking up a good time this week as we have fun with food. We'll do some real down home cooking, some fun food crafts, and hopefully learn some healthy habits! We'll be visiting a local candy factory.

Week 11 - Let's Do It Again!

Here's your chance to help decide what camp's all about. We'll repeat many of our favorite activities for this grand finale of camp with tried-and-true kid-pleasers at every turn. We'll have a final picnic on our field trip to Farrel-McWhirter Park.

Field Trips subject to change depending on scheduling and fees.

Tennis Camps

USPTA Tennis Professional Marceil Whitney, International Tennis Hall of Fame award winner, designed this program. Her trained staff coordinates tennis camp activities including on and off court drills, skills, and game play with a 1:6 instructor to student ratio. Children have fun and build confidence and skills within their tennis game, improving motor skills, dexterity, and coordination. All-day camps finish with an afternoon swim at the King County Pool and campers need to bring lunch, bathing suit, and towel. All participants need to bring a snack. All equipment provided by staff. Camp days cancelled due to inclement weather will be rescheduled as soon as possible by instructor.

The Fantastic Forces (Jun 26- 30)

Discover how magnetism, air pressure, gravity and more make the world around us work. We'll investigate lasers and magnets, race rubber-band powered cars, and have a hair-raising experience with the Mad Science Van Der Graaf generator. You'll even get to build your very own rocket and see one launched!

Anatomy Academy (Jul 10-14)

Make a cell out of slime and a brain out of potatoes! Build a monster from the genes up and raise a Frankenstein by replacing all his organs! Discover how amoebas move and cells mutate, as we explore the human body from the tiniest cell to the organs that help us eat, breathe and think.

Secret Agent Lab (Jul 17-21)

See how scientists and detectives work together as we use chemistry and clues to solve the mystery of the messy kitchen! Test a strange red liquid to see if it's blood. Compare footprints. Then use the clues to create a sweet treat using endothermic reactions!

Reactions in Action (Jul 24-28)

Nothing says "Mad Science" like bubbling beakers and curious mixtures. Explore one of the most exciting and fundamental sciences as you grow a crystal garden, make a bath bomb, and roll your own chocolate taffy! We may even make a few things go "boom!"

Masterpieces for Grade 3-6 Graduates (Jul 31-Aug 4)

Domes and bridges and robots Oh my! Get ready to build some super structures and amazing machines. You'll make an earthquake-proof building from toothpicks and marshmallows, a giant geodesic dome big enough for you and all your friends out of newspaper, a pair of micro-pincers, and your very own "robotic" arm to help you build more amazing structures at home!

Drama Day Camps

DramaVentures Theme Camps

Theme camps for 4½ to 8 year olds, increase your child's self-expression and stimulate art exploration in drama, art, and movement. Children work in groups, with partners, and on their own to create a one of a kind performance to share with family and friends every Friday. Camps offer small class sizes and all created costumes will be taken home for your child to enjoy in their own costume box. Please bring a labeled white T-shirt to the first class of each camp. Bring two snacks and a water bottle each day. Dress to get messy!
